

## **Boarding**

### **DOS**

- DO make sure that your dog is up to date on all vaccinations. If you are unsure about what shots you need feel free to give us a call.
- DO bring ONLY enough food/medication to cover your dog's entire stay. PLUS an extra day's worth of meals/medicine, just in case you can't make your scheduled pick-up day. Any leftover food or medicine will be returned to you.
- DO bring your pet's food in a labeled zip lock or container.
- DO bring a labeled article of clothing that "smells" like you to keep in your dog's kennel. You could also bring a favorite blanket or toy. This will help comfort your dog while you are away. Please realize that your dog may soil or chew this item, so please bring something you do not mind parting with. (Idea: Wear an old t-shirt to bed the night before your dog arrives!)
- DO make sure your dog arrives with a buckle or snap collar with current ID and rabies tags attached to wear while staying with us.
- DO book all future appointments via our website with your own personal account.
- DO be sure to bring payment at dropoff. We take visa, mastercard & discover.

### **DONT'S**

- DO NOT bring your dog's food and water bowls from home. Dog Care Plus will provide clean bowls for your dog's use.
- DO NOT bring a pinch and/or chain collar for your dog's stay.
- DO NOT worry about your dog as they will be having a great time playing with their pals.
